Binghamton Chapter of the American Guild of Organists

DEAN'S MESSAGE...

March Greetings to ALL!

As Spring nears, many of our members are experiencing one of the busiest times in their churches. So much music...so many rehearsals... Everything will go well!

Some of our members have been diligently working over the last few weeks to organize all of the organ, piano, and sacred vocal music that has been given to our chapter over the years. Trinity Memorial Episcopal Church in Binghamton has graciously let us store the music on their second floor. Many thanks go to Hilton Baxter, Bob Peterson, Lee Roseboom, Andy Chadwick, Jane Thorick and Jean Henssler for all of their work! It certainly was a monumental task! Our plan is to host "Music Give-Away Days" during the next couple of months. Invitations will be sent to not only all of our members, but also college music majors and organists/keyboardists from Broome, Tioga and Chenango counties. When the dates are confirmed, I will send out a mixturegram.

Chapter member, Linden Foster, and some of his friends from Houghton University checked out the stored music last Saturday. By the looks of the second photo, it was a successful visit!

I will be sending updates as certain events unfold. Meanwhile, have a beautiful month!

Nancy
